

# **STUDENT BEHAVIOR AGREEMENT**

Congratulations, you are now a High School Senior!

A group of parents of Liberty High School Seniors have organized several committees in an effort to make your last year of high school a memorable occasion. We will be organizing and hosting several events during the school year. To participate, you will need to sign this agreement and give us your contact information.

You will also need to have your parents sign and return the attached liability release form.

---

I, the undersigned, certify that I am currently enrolled as a senior at Liberty High School. I acknowledge that while attending events sponsored or arranged by senior parent volunteers that I will still be expected to follow the behavior guidelines established in the Frisco ISD Student Handbook. Specifically, I will not bring weapons, alcohol, drugs, or tobacco to any of these events. I also agree to bring and show my student id to parents who might be chaperoning these events.
