

## Senior Parent Meeting October 28, 2009

### Senior Class Officers:

President: Elise Bases  
Vice-Pres: Eric Parikakis  
Secretary: Kuniko Velez  
Communications: Kathryn Kallina  
Historians: David Wu and Deja Edwards

### Dates to remember:

**Sr. Night Out – Dec 6 6 – 9pm**  
**Prom – April 10**  
**Baccalaureate – May 23 2:00 pm**  
**Graduation – June 5 6:00 pm**

### Parent Committee Reports:

- “Bonfire” – We have a Contract with Bill Bates Ranch for December 6 from 6 – 9 pm. Change name to “Senior Night Out” or “We Play With Fire”. Tickets will be sold during lunch for \$10 which will include hotdogs, drinks. Parents will donate S’more ingredients. Activities can include volleyball, football, hayrides. Student council will help sell tickets and make posters.
- After-Prom Lock-In – No one attended meeting to present report. Does anyone have information on this? Or want to research this? This event would need to be held off-campus.
- Graduation Breakfast - No one attended meeting to present report. We will need to find out what time the graduation rehearsal will be before we set this as a breakfast. Is anyone willing to help Jami Grossman on this?
- Baccalaureate – May 23, 2:00 p.m. at First United Methodist Church on Preston Road. Cody Strange (YoungLife Leader) will present message. Seth Weddle will coordinate music. Parents to seek donations of ribbon, roses, refreshments. Rehearsal on May 18. Dr. McDowell (LHS teacher) will call out names.
- After Graduation Trip – Possible Trip during June to Universal Studios by bus. Still researching dates/prices, etc.
- Painted Parking Spaces – FISD does not allow this.
- Sr. “Skip” Day – needs to be renamed as it is not an excused absence if the students do not attend the organized event. Possible new name “Senior Day” or “Senior Day Out”. Possible dates are May 21 or May 28. Most plausible ideas are Six Flags or day out at Bill Bates Ranch. BBR can provide “carnival” activities for the kids. More information will be provided and we will do an informal survey of the kids to see which they prefer.
- We discussed a fundraising idea of working the school store. Upon further investigation, we found that the school store no longer needs outside groups to help. We agreed that we would adopt a “pay as you go” and rather than fundraising, the students could pay for each event they chose to participate in.

- The Student Council will donate the proceeds from the Powder Puff game to the Senior Class which could possibly be used for the Senior gift to the school.
